Educational

With the growing interest in hockey and ice skating in general, students are more interested than ever in their chosen sports. Ice Land USA captures this interest with our fun, educational and safe ice skating and hockey outings. We offer behind the scene glimpses of the inner workings of an ice arena including how the ice is made and maintained.

Fundraising

Have fun skating while fundraising. Ice Land USA offers several innovative fundraising options designed to maximize proceeds for your organization. Let us help raise funds for your community organization or to be donated to a charity of your choice.

Ice Activities

We can develop one of kind programs designed to introduce participants of all ages to the excitement of skating or hockey in a safe, fun and educational setting. Your group will learn the basics of skating or the game of hockey taught by professional instructors while building unity and teamwork skills. This is the perfect event for schools, churches, scouts or any other groups looking to "hit the ice" like your favorite local hockey team or figure skating star.
